2016-17 Income Declaration Form

Each year the Anchorage School District must collect an income declaration form from families in order to follow state rules. This information is collected so ASD can accurately count the number of families who are economically disadvantaged.

Reporting this data may help schools receive discounts on phone and internet use. It may also help them qualify for grants.

This information is NOT used to determine if a child may receive free or reduced-price lunch. This form is confidential and individual family information will NOT be shared with anyone.

Directions:

1. Circle the number of people who live in your household.
2. Look at the amount to the right of the number you circled.
3. Check "above" if this amount is more than your family income.
4. Check "below" if this amount is less than your family income.
