Student Expectations and Guidelines for Battle of the Books

- Battle of the Books meets twice a week during lunch from the end of October through mid-February.
- Students are expected to come to all practices and remain for the whole practice.
- If students have a conflict with another activity they must tell Mrs. Callahan about it beforehand.
- If a student wants to drop out, the courteous thing to do is to inform their teammates and Mrs. Callahan.
- Since the students are eating lunch in the library workroom (B.o.B. Room) they must clean up after themselves.
- Students must conduct themselves in the same manner as they would if they were out in the main library (no yelling, rough housing, etc.).
- Students may either have a pre-formed team when practice starts, or they can come and be assigned to a team. Student wishes will be followed as much as possible, but Mrs. Callahan has the right to change the team membership at any time.
- Students must make an effort to read a majority of the books. All the books need to have been read by at least one of the team members.
- One team will be representing Goldenview at the district tournament at the end of February, 2018. That team will be chosen in a school Battle held at the start of February. All decisions of the judge are final during both tournaments.
