

# National Junior Honor Society Goldenview Middle School Community Service

The community gives you many services.

Get involved!

Give something back!

There are many ways to help people or conditions in your community. Part of your participation in NJHS is based on service, both to the school and the community. This form is designed to help you be accountable for both. You may work as individuals or in a group. **These hours should be documented on the back of this sheet and signed by an adult who can verify your attendance.** You don't have to do anything enormous but you do have to make a difference.

## Community Service Project Ideas – not a complete list!

### School Service

- Help out in the school store
- Volunteer to help at an event (book sale, wrestling meet, elementary school dance, drama production, concert)
- Volunteer at an elementary school
- Volunteer to clean desks, do tasks, grade papers for teachers

### Community Service

- Read, sing or play music to the elderly or blind
- Collect food or clothing for the needy
- Write letters or speak to the assembly or state legislature for community causes
- Organize clean up crews
- Initiate recycling program in your neighborhood
- Volunteer time or babysitting duties for families in need
- Pick a service/charitable organization and donate time
